

Manual ?

man 3 means the third section of the Linux manual page,

which is the C Library Functions.

And there are other sections in the man page

1. User Commands	Shell 指令	Ex. man 、ls
2. System Calls	系統呼叫	
3. C Library Functions		C library
4. Devices and Special Files	特殊檔案	位於/dev
5. File Formats and Conventions	檔案格式與協定	Ex. /etc/passwd
6. Games et. al.	遊戲	
7. Miscellanea	其他	Macros man(7) 、groff(7)
8. System Administration tools and Daemons	系統管理指令 (usually for 'root')	
9. Kernal routines		(非標準)
